

My first LaTeX document

Huberg Farnsworth*

August 2022

We have now added a title, author and date to our first L^AT_EX document! Some of the **greatest** discoveries in science were made by ***accident***. Some of the greatest *discoveries* in science were made by accident *Some of the greatest discoveries in science were made by accident*. **Some of the greatest *discoveries* in science were made by accident.**

*Funded by the Overleaf team.
